Names approved for use as a registered kennel name will most likely be names which are unique or manufactured by the combination of words. Words commonly used by others in naming dogs (i.e., Little, Big, Old) initials, and colors will not be accepted as a registered kennel name. We will not accept last names as a registered kennel name, as other persons may have legal right to use a last name belonging to themselves. All kennel names will show possession unless past registration of dogs has set a precedent otherwise (i.e., "GOING LIGHT BARNEY, "RUFFIAN OF HAR-WYN", "GOOD TIMES JOE", etc.).

***May 27:** Salt Lake Terrier APBTC. 1st Conformation Show - Judge, Bonnie

The first annual Ralph and Renee Greenwood Memorial was held on May 28, 2023 in West Jordan, UT hosted by the Salt Lake Terrier Association. Exhibitors and club members were in attendance for a brief talk by Ralph and Renee's daughter, Amy Greenwood-Dudar. Amy spoke about Ralph and Renee's partnership in their personal life raising their eight children, running their businesses (kennel, groomery and ADBA) and their many adventures with the American Pit Bull Terrier.

Conformation Judge, Brad Wickham, was introduced to the crowd and took the microphone. Brad was first introduced to Ralph when he was living in Colorado, and once Ralph was aware of their mutual friendship with fancier, Nancy Swertfeger, their friendship took off. He spoke about his relationship with Ralph and the close friendship he shared with Renee after Ralph's death in 1988. He stated that his education at 'Greenwood University' with Renee as his mentor was inspiring and enjoyable and after 22 years he graduated cum laude.

The Greenwood family would like to thank everyone who took their Memorial Day weekend to spend it with us as we remembered Ralph and Renee at the first ever R & RG Memorial ADBA sanctioned conformation show, weight pull and Top Dog Athletic Events.
