DNA SERVICE REQUEST FORM

The American Dog Breeders Association Inc. honors client confidentiality. DNA analysis becomes a part of your dog's record and will be recorded along with your dog's pedigree in our studbook. These records will only be available to legitimate owners of future offspring and /or released with owner's permission. Only ADBA registered dogs and their offspring are eligible for DNA profile.

Service Request:

____DNA Test Kit …….$10.00
One kit to be used per dog.

_____ DNA Profile on individual dog:……..$70.00
Paid when Test Kit is submitted. Only a registered owner may apply to have a DNA profile done on any dog. A certificate will be issued reflecting the DNA profile on that dog.

____ ADBA Parentage DNA Certification …….$25.00
The DNA genotype of the ADBA registered dog and his sire and dam are displayed and indicate that his parentage has been verified. The DNA profiles of the sire, dam, and dog to be verified must be on file with the ADBA before parentage can be verified. (Price of DNA Profiling not included)

____ Retype of Certificate in Current owner's name .. $10.00
For a Certificate that has been lost or destroyed. Dup Certificate can only be issued to the registered owner of the dog with verification of owner's signature.
